Overview

Does xindun offer a DC to AC inverter?

7200W 48VDC to 220V/230V/240VAC | Pure Sine Wave Inverter High Frequency Design In the past 14 years, Xindun has provided solar power products and services to more than 100 countries around the world. We provide dc to ac inverters OEM services for thousands of agents. ■ DC to AC Inverter Feature.

What are the features of DC to AC inverter?

DC to AC Inverter Feature 1 Inverter high frequency design, high power density, high efficiency, low no-load loss. 2 Pure sine wave output, adapt any types of loads. 3 Battery charge and discharge voltage parameters adjustable,suitable for different types of batteries,can prolong the life of the battery and improve system performance.

Is pure sine wave output inverter good?

A: Pure sine wave output inverter is just as good as the public power grid, even better. Low repaired rate, long lifespan, without harmonic pollution, enviromental-friendly and appliances protected.
