Austria Uninterruptible Power Supply Procurement Project

Overview

Does a review application have a suspensive effect under Austrian public procurement law?

A review application does not have a suspensive effect under Austrian public procurement law. 10. Ineffectiveness and alternative penalties according to Dir 66/2007/EC:.

How do I find all Austrian public tenders?

Get all tenders of the Austrian public sector at one place, regardless where they were originally published. With various filters and sorting mechanisms as well as an integrated full-text search you will find your tenders quickly. The USP indexes all available sources of tenders each and every day. Therefore, all the latest tenders are available.

When will Andritz power plant open?

ANDRITZ will equip the power plant with a 170-megawatt variable-speed reversible pump turbine, the generator and related automation. The groundbreaking ceremony took place in October 2023. Scheduled to start commercial operation in 2028, the plant will be able to supply 280,000 households with green electricity.
