Battery for VIVE base station

Overview

How much power does a Vive base station use?

Fun Fact: While the power adapters that come with the Vive's base stations list their max as 2.5A (2500 mA), the base stations really don't use anywhere near that in practice. Dev reports show that the base stations run just fine at 0.75A (750 mA).

Is Base Station 2.0 compatible with Vive Pro?

Base Station 2.0 is compatible with VIVE Pro series headsets. It powers the presence and immersion of room-scale virtual reality by helping these headsets and controllers track their exact locations. Features wireless syncing. NB: This product is also compatible with Varjo HMD eye trackers.

What headsets are compatible with the HTC Vive SteamVR base station?

The HTC Vive SteamVR Base Station is compatible with VIVE, VIVE Pro, VIVE Pro Eye and VIVE Cosmos Elite headsets. HTC Vive SteamVR Controller includes one controller, lanyard, Micro-USB cable and power adapter. HTC Vive SteamVR Base Station includes one base station, one power adapter, and one 8' 2" (2.5m) power cable.

What is included in the HTC Vive SteamVR controller & base station?

HTC Vive SteamVR Controller includes one controller, lanyard, Micro-USB cable and power adapter. HTC Vive SteamVR Base Station includes one base station, one power adapter, and one 8' 2" (2.5m) power cable. Stand and mounting hardware not included.

How do I install Vive base stations?

For best results, install the base stations using a mounting kit. If you purchased the first-generation VIVE, it has the mounting kit in the box. Otherwise, you can separately purchase a similar mounting kit from a third-party supplier. You will need a screwdriver or drill to install the mounts. Ask a

professional for help when using power tools.

How many sensors does the HTC Vive SteamVR have?

The HTC Vive SteamVR Controller features 24 sensors, Multi-Function trackpad, dual-stage trigger, HD haptic feedback and a rechargeable 960 mah battery. The HTC Vive SteamVR Base Station is compatible with VIVE, VIVE Pro, VIVE Pro Eye and VIVE Cosmos Elite headsets.
