

SolarInvert Energy Solutions

Brunei Energy Storage Photovoltaic Engineering Company

Overview

Who owns the solar plant in Brunei?

The solar plant in Brunei is currently operated and maintained by BSP. Agnete Johnsgaard-Lewis, BSP Managing Director and Shell Country Chair in Brunei, shared this information.

Does Brunei have solar panels?

Due to the country's extensive hydrocarbon deposits, which are used to fuel its thermal power plants to produce energy, Brunei has some of the lowest electricity costs in the area. Due to the fact that grid parity has not yet been attained, this does not encourage individuals to install their own solar panels.

Who owns Brunei energy services & trading (best)?

Brunei Energy Services and Trading (BEST) is the national oil company owned by the Brunei government. The company was granted all mineral rights in eight prime onshore and offshore petroleum blocks totaling 20,552 sq. km. PB manages contracts with Shell and Petronas, which are exploring Brunei's onshore and deep-water offshore blocks.

How did BSP achieve its first power plant in Brunei?

The project was achieved by BSP's almost entirely Bruneian team in partnership with international experts. The 3.3 MWp (Megawatts-peak) plant produced its first power on 30thMarch 2021.

What is BSP's flagship solar PV plant?

BSP's Flagship Solar PV (photovoltaic) Plant is Brunei's second solar plant and was completed in under seven months to install almost seven thousand state-of-the art solar panels on four hectares of land at G11. The project was achieved by BSP's almost entirely Bruneian team in partnership with international experts.

What is the largest spvpp in Brunei Darussalam?

Upon completion by the end of 2026, the project is expected to be the largest SPVPP in Brunei Darussalam, generating an annual output of 64,473,000 kWh, with a potential to offset about 645,000 MMBtu of natural gas and 92 million tonnes of carbon dioxide. The project was formalised on 14 June 2025, following the signing of three pivotal agreements:
