

### **SolarInvert Energy Solutions**

# Castrie energy storage module equipment

#### **Overview**

What is Shanghai Zoe energy storage?

The company has developed its own PCS, BMS, and EMS (3S) to ensure deep coupling and 3S high integration of products, and an EaaS cloud management platform to provide new energy solutions to users. Shanghai ZOE Energy Storage inherits from ZOE Solar Energy Group Co. Ltd., which was established in 2013.

Who is Tu Energy Storage Technology (Shanghai)?

Safe operation and system performance optimization. TU Energy Storage Technology (Shanghai) Co., Ltd., founded in 2017, is a high-tech enterprise specializing in the research and development, production and sales of energy storage battery management systems (BMS) and photovoltaic inverters.

Who is Shanghai Zee energy storage technology?

Shanghai ZOE Energy Storage Technology Co. Ltd., established in 2022, is dedicated to providing global users with safe and eficient energy storage product system solutions. The company is headquartered in Shanghai, with joint venture ofice in Suzhou, R&D center in Changzhou and a fully automated energy storage production center in Fuzhou.
