

SolarInvert Energy Solutions

High quality control switchgear in China company

Overview

Who is a reputable switchgear manufacturer in China?

DOHO is one of the most reputable switchgear manufacturers in China, with over 10 years in the electrical industry. We produce a full range of low-voltage (LV) , medium-voltage (MV) switchgear and high-voltage switchgear (HV).

Who is Fengyuan switchgear manufacturer & supplier?

We're well-known as one of the leading switchgear manufacturers and suppliers in China. Our factory offers high quality switchgear made in China with competitive price. Welcome to contact us for customized service. FENGYUAN is one of the most professional switchgear manufacturers and suppliers in China for 10 years.

Why is China's switchgear industry important?

The Chinese government is increasingly prioritizing green technologies, pushing companies to adopt sustainable practices. Furthermore, the global market relevance of China's switchgear industry is significant, as it is one of the largest producers and consumers of electrical equipment.

Which is the largest secondary switch cabinet manufacturer in China?

ABB Beijing Switchgear Limited is the largest secondary switch cabinet manufacturing center of ABB in China. The manufacture capacity reaches more than 60,000 units RMU per year.

What is electrical switchgear?

Electrical switchgear refers to a centralized collection of circuit breakers, fuses and switches (circuit protection devices) that function to protect, control and isolate electrical equipment. Its design is verified in accordance with IEC 61439-1/-2.

What is a high voltage switchgear?

Our high voltage switchgear is made with high quality materials and components to ensure its long service life and reliability. DOHO HV switchgear products are designed for installation in locations with high voltage systems such power transmission and distribution.
