

SolarInvert Energy Solutions

Huawei outdoor inverter in Zurich Switzerland

Overview

Why should you buy a Huawei solar inverter?

Industry-leading safety features, including integrated AFCI and Smart IV Curve Diagnosis, provide enhanced protection, safeguarding your solar system and giving you peace of mind at all times. Huawei is a global leader in smart energy solutions, providing highly efficient, reliable, and intelligent solar inverters.

What makes Huawei a successful solar company?

The company has achieved success primarily through continuous research and development. In the field of solar energy in particular, Huawei has been producing inverters for solar power systems since 2013 and has since established itself as an important manufacturer on the market.

Why should you choose Huawei Luna inverter?

Thanks to the 80 % DC overload capacity, more PV power can be connected, which further increases efficiency. In combination with the Huawei LUNA storage battery, the SmartGuard backup solution and the EMMA energy management assistant, the inverter offers intelligent, future-proof energy management.

What is a Huawei k-mb0 inverter?

The Huawei K-MB0 inverter series offers an advanced solution for medium to large photovoltaic systems. With a maximum efficiency of up to 98.6%, this series guarantees a high energy yield. The inverters are equipped with two MPP trackers to ensure optimal performance even in varying light conditions.

Is Huawei leading the Swiss economy into the digital future?

Leading the backbone of the Swiss economy into the digital future. Ecovadis awards Huawei Switzerland Platinum for sustainability and compliance. Huawei's Intelligent World 2030 report examines what opportunities the next

decade may bring for every person, home, and organization. 30. September 2025.

Why should you invest in Huawei solar power?

With up to 98.8% efficiency, Huawei's technology maximises your energy yield, ensuring optimal solar power generation and the highest possible return on your energy investment.
