

#### **SolarInvert Energy Solutions**

## Jakarta non-standard photovoltaic glass module quality merchants

#### **Overview**

#### What is Solartech Indonesia?

Solartech Indonesia will showcase a range of products, technologies and innovations pertaining to solar PV and energy storage, such as solar modules, PV components, raw materials, solar PV products & systems, battery and energy storage systems and related equipment.

Who is PT Indonesia Solar Global?

COMPANY PROFILE | 01 PT Indonesia Solar Global (ISG) is a Solar PV Module Manufacture in Indonesia, established in 2021. The company is headquarted in Jakarta & our plant is located in Tangerang, Indonesia. We serves projects & clients primarily in Indonesia We produce solar pv module by utilizing the latest technology and maximum local content.

Who is solar PV module manufacturer?

is a Solar PV Module Manufacture in Indonesia, established in 2021. The company is headquarted in Jakarta & our plant is located in Tangerang, Indonesia. standard production procedure to produce international quality products. We aim to reduce carbon emissions, lower energy costs, and promote the use of renewable energy sources.

Who is PT solar Karya Indonesia?

PT. SOLAR KARYA INDONESIA Clean. Future. Energy. Founded in 2022, PT. Solar Karya Indonesia (SKI) established its headquarter and manufacture in Bogor, West Java- Indonesia. We are 100% Indonesian manufacture solar panel and don't have any other facilities in Batam.

Why is PV glass made in Indonesia?

As an offtaker of our PV-Glass-Grade Silica, the factory ensure a stable offtake and a secure supply chain for the silica refinery. Coupled with other raw materials like soda ash, alumina, limestone, and other coming from local

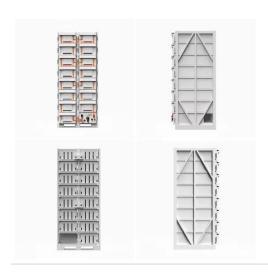

sources, the resulting PV Glass contains almost 100% local content – eligible to earn the Made in Indonesia title.

Who makes solar panels in Batam?

We are 100% Indonesian manufacture solar panel and don't have any other facilities in Batam. SKI business focuses on the production OEM, Indonesia retail housing, office, factory and government project and sales of solar modules as a manufacturer of high- performance photovoltaic products.

#### Jakarta non-standard photovoltaic glass module quality merchants

## **Quality in PV systems - Relevant service providers**

Product certification of PV modules is offered by the product certification bodies (LsPRO) TÜV Rheinland Indonesia, and PT Qualis Indonesia in cooperation with the PV module testing ...
