

#### **SolarInvert Energy Solutions**

# Special function high efficiency inverter by 12-8

#### **Overview**

What is 8kW 12Kw hybrid inverter?

8KW~12KW Three Phase High Voltage Hybrid Inverter is a high performing SOSEN blends science and comfort with sustainability and international design.

What is PV array power hebp series?

Max. PV Array Power HEBP series is a new type of solar energy storage inverter control inverter integrating solar energy storage & utility charging and energy storage, AC sine wave output.

What is a 3 phase high voltage inverter?

This advanced three-phase high voltage inverter supports a wide battery voltage range (125V-800V) and employs cutting-edge DSP technology to maintain harmonic current/voltage below 3%, ensuring optimal grid stability. Accessible via WiFi and the web, it offers seamless remote monitoring and control.

#### Special function high efficiency inverter by12-8

## 8KW~12KW Three Phase High Voltage Hybrid ...

The SSE-HH8K-12K-P3EU, is a highefficiency, reliable, and versatile energy storage solution. This advanced threephase high voltage inverter supports a ...
