

#### **SolarInvert Energy Solutions**

# Split solar circulating water pump

#### **Overview**

What are solar panels plus pumping solutions?

Solar Panels Plus provides a number of different pumping solutions for solar hot water and solar space heating systems. These pumps are included in our solar water heating packages, and are used to circulate heat transfer fluid in the primary or secondary solar hot water loops.

What is a circulation pump?

These pumps are included in our solar water heating packages, and are used to circulate heat transfer fluid in the primary or secondary solar hot water loops. We have a number of circulation pump solutions for all types of applications, from single family home hot water systems, to industrial heating and air conditioning systems.

How to use a solar water pump?

The Sunsbell Solar Water Pump is ideal for a garden patio or pond. It comes in with a 3 m long cable and 4 different nozzle heads. It's very easy to use-just immerse the pump under water, place the panel under full sunlight and it will start automatically. Besides, the beautiful waterfall will give your garden a unique, special look.

Are solar-powered water pumps eco-friendly?

Whether you are looking for the most environmentally friendly pumping solution on the market or want to give your garden a plus of beauty and elegance, a solar-powered water pump is what you should look for. It's 100% green, efficient and cheap! Each pump comes with its solar panel, and it's straightforward to install and use.

What is a geyserwise circulation pump 220V?

Introducing the Geyserwise Circulation Pump 220V by The Water Solar Company. Designed specifically for split solar geyser systems, this high-

performance hot water circulation pump ensures optimal efficiency and convenience. Say goodbye to wasting precious water and waiting for hot water to flow from your taps.

What is a 12VDC solar hot water pump?

12VDC Solar Hot Water Pumps - Can handle temperatures up to 230F and Pressures up to 145PSI - With three-phase ECM brushless DC motor. FDA, REACH,CE, RoHS, ISO9001 certificated (3.0 GPM) Only 17 left in stock - order soon. Only 6 left in stock - order soon. Only 10 left in stock - order soon. Only 9 left in stock - order soon.
