

SolarInvert Energy Solutions

US 15kw energy storage solution

Overview

What is a compact energy storage system?

The compact design integrates the battery and inverter into a single unit, saving valuable space while simplifying installation and operation. This fully integrated energy storage system offers an all-in-one design that simplifies installation and operation, making it a plug-and-play solution for residential energy needs.

What is a 10kW / 15kW peak cooling system?

10kW continuous / 15kW peak - run heavy appliances during outages. Silent natural air cooling means no noisy fans. Start with 15kWh and scale to 225kWh. Seamlessly add units as your energy needs grow - no complex reconfiguration. IP67 rated protection against rain, dust and extreme temperatures.

What Apr 10k15v2 AC battery?

FranklinWH APR-10K15V2-US 15kWh AC Battery delivers 10kW continuous and 15kW peak power for reliable solar energy storage and backup power. Featuring advanced lithium iron phosphate (LFP) technology, scalable capacity up to 225kWh, weather-resistant IP67 design, and silent natural air cooling.

What is a fully integrated energy storage system?

This fully integrated energy storage system features a comprehensive all-in-one design, incorporating essential switches for battery fuses, photovoltaic input, utility grid, load output, and diesel generators.

How does a solar energy storage system work?

This advanced energy storage system features dual active-cooling fans that automatically activate when the internal temperature reaches 30°C. The intelligent cooling mechanism ensures optimal thermal management, protecting the batteries and inverter while significantly extending their

lifespan.

Will franklinwh apr-10k15v2 US 15kWh AC-coupled battery ship?

FranklinWH APR-10K15V2-US 15kWh AC-Coupled Battery is backordered and will ship as soon as it is back in stock. Pre-order now to make sure you don't miss out! As soon as it's in stock, we will ship it to you. Get the latest updates on all our new collections, sales, offers and product arrival dates.
