

SolarInvert Energy Solutions

Ulaanbaatar EK sodium battery for energy storage

Overview

Sodium-sulfur (NAS) batteries made by Japanese industrial ceramics company NGK Insulators will be used at a solar PV plant in Mongolia, in a project that will receive funding and loans based on its use of low carbon technologies.

Ulaanbaatar EK sodium battery for energy storage

Sodium Battery Technology: The Future of Energy Storage

In an era where renewable energy sources are increasingly vital, energy storage technologies have become a linchpin for sustainable development. Amidst various contenders, sodium ...
