Will Belgium participate in the construction of 5G base stations

Overview

Can 5G offset the saturation of 4G networks in Belgium?

The Belgian Institute for Postal Services and Telecommunications (BIPT) has published 5G coverage maps showing the progress made by operators and highlighting the role of 5G in offsetting the saturation of 4G networks. Operators are gradually deploying 5G in Belgium. To date, 87% of households have outdoor coverage and 68% have indoor coverage.

When were 5G regulations adopted in Belgium?

5G regulations were finally adopted on 28 November 2021. The national regulatory authority (the Belgian Institute for Postal Services and Telecommunications or BIPT) then adopted a series of individual decisions on 23 August 2022 and 16 November 2022 granting 5G user rights to the following operators:.

What do we need to move forward with 5G in Belgium?

5G in Belgium: what do we need now to move forward?

The EU aims to have all European households covered by a Gigabit network by 2030, with all populated areas having access to 5G. In Belgium, the 4% coverage in 2021 rose sharply in 2022 to 30%, largely due to a late finalisation of the 5G auction (in 2022).

Does Belgium have a 5G network?

The 5G network coverage can be viewed [here](#). Overall, the 5G network appears to be better developed in the northern area of Belgium, in particular in Antwerp, Ghent and coastal cities, as well as in the periphery of Brussels. This is partially due to higher population density in these areas.

Is Belgium behind in 5G deployment?

“Belgium is behind in the deployment of 5G in the seven European countries

where Orange is present," said Karine Dussert-Sarthe, vice-president of the French telecoms group. In France, Orange's 5G coverage is already 54%.

Does Belgium have a good 5G QoE performance?

MedUX, a global leader in internet QoE testing and monitoring, unveils its latest findings on 5G performance in the Belgian capital and across Europe. Our Brussels 5G QoE Benchmarking report reveals two very good winners and a strong contender.
